Other Helpful Information

Timing

Allow 30-45 minutes for each make up application. We calculate the start time by knowing when you need to get in your dress (with your hair and makeup complete) and backing up the time from there.

How to reserve your date:

Based upon my availability for your specific date, a 50% **non-refundable/non-transferable deposit/retainer** is required to reserve Joya beauty's services for your special event. You can submit your deposit using the link on my website.

<http://joyabeauty.com/bridal/bridal-deposit.cfm>

I will then send you a confirmation of services agreement. A filled out and signed contract confirms your booking. The remaining balance would be due **fourteen days prior to your event**. I often get multiple requests for the same date so I work on a first come, first serve basis. The first person to send a deposit and signed contract will secure the date.

If you are unsure as to how many additional makeup applications will be needed I suggest you reserve your date with the signature package. Once you have finalized your needs a 50% non-refundable/non-transferable deposit/retainer is required to reserve time for the additional makeup applications if required.

Please note that tips are not included with the price.

There are no additional fees for events taking place over the holidays.
