### Destination Wedding

**Custom Quote**

I will travel to the ends of the earth for a bride and her party. Destination weddings can be incredibly beautiful but preparations can be stressful if you aren't familiar with local artists. Please inquire for a custom quote.

**Please note that gratuities are not included with the price. There are NO additional fees for weddings taking place over the holidays.**

## Popular Add Ons

Your initial appointment is included in your services. Should you want to try out additional looks or perhaps schedule makeup for your engagement pictures or another special event you can schedule another appointment.

### **Second makeup artists**

**\$150**

I assure you that I only work with experienced makeup artists. Additional travel expenses may apply for the second makeup artist.

### **Corrective coverage or tattoo coverup**

**Custom Quote**

Rates pending on the size of the area and amount of color needing to be covered.

## Other Helpful Information

### **Timing**

Allow 60 minutes for the bride and 30 minutes for each additional makeup application. We calculate the start time by knowing when you need to get in your dress (with your hair and makeup complete) and backing up the time from there. I can work with your wedding planner, hair stylist and photographer to create a schedule.

### **How to reserve your wedding date**

Please don't delay in booking your event. A 50% of the signature package non-refundable/non-transferable retainer is required to reserve Joya beauty's services for your wedding date. You can submit your retainer using the link on my website. <http://joyabeauty.com/bridal/bridaldeposit.cfm> or Venmo @joyabeauty (business account). I will then send you a confirmation of services agreement. A filled out and signed agreement confirms your booking. The remaining balance would be due fourteen days prior to your event. I often get multiple requests for the same date so I work on a first come, first serve basis. The first bride to send a deposit and signed contract will secure the date.

If you are unsure as to how many additional makeup applications will be needed I suggest you reserve your date with the Signature Bridal Services.

Thank you very much for your interest. I look forward to meeting you and helping you to look and feel beautiful for a special day you will always remember
